

People can now contact you via email

Step 1

The sender must sign up at emailprisoner.com.au

They will need to provide:
**a home address | prisoner's name |
correctional centre | IOMS number**

Once the account is created they will get a confirmation and a security code will be sent to their home address.

Step 3

Emails are sent to the centre and are reviewed/censored the same as normal mail.

Please allow 3 working days for delivery.

Step 4

If the sender asks for a reply you will be provided with a reply sheet to write to them. This will be scanned and emailed back to them.

It will cost the sender \$0.90 cents per email, and an extra \$0.75 cents if they ask for your reply.*

Step 2

The sender must login to emailprisoner.com.au with the security code to finish setting up their account.

Then they will be able start sending you emails.

* These costs are determined by emailprisoner.com.au and may be subject to change. The sender should check the website for current prices.
